

John Yoo Song Sheet

Tell John Yoo that torture is a crime!
Tell John Yoo that torture is a crime!
Just like the lies that led to war and slaughter!
Torture is a crime!

We shall not! We shall not be moved!
We shall not! We shall not be moved!
Just like a tree that's standing by the river!
We shall not be moved!

Tell John Conyers to look into these crimes!
Tell John Conyers to look into these crimes!
Just like a law abiding congress member!
Look into these crimes!

Tell John Yoo that he shall be disbarred!
Tell John Yoo that he shall be disbarred!
Enemies of laws cannot remain lawyers!
He shall be disbarred!

Tell Eric Holder to prosecute John Yoo!
Tell Eric Holder to prosecute John Yoo!
Just like the Nazis at the Nuremberg trial!
Prosecute John Yoo!

Tell Obama justice must prevail!
Tell Obama justice must prevail!
Just like the Truth is marching ever onward!
Put John Yoo in jail!

Tell the whole world that torture will be stopped!
Tell the whole world that torture will be stopped!
Just like the wars they wage for corporate empire!
Torture will be stopped!

Tell Dick Cheney that he is going to jail!
Tell Dick Cheney that he is going to jail!
Just like a mob of murdering mafia gangsters!
Cheney's going to jail!

Tell George Bush that justice will prevail!
Tell George Bush that justice will prevail!
Just like corrupt and craven corporate criminals!
Put George Bush in jail!

Papermaster

It had to be Yoo
It had to be Yoo
He worked for George Bush
Turned law into mush
And then right on cue

Said Torture's OK
We'll all get away
I'll go teach law
There isn't a flaw
In Cheney's coup

Some prisoners told lies
That Saddam had ties
To the twin towers
That gave them war powers
But that wasn't true

The people are wise
The people are strong
Thousands have died
What Yoo did is wrong

It had to be Yoo
Indictable Yoo
It had to be Yoo

It Had to Be Yoo
